## SRAM REACH SVHC & SCIP Disclosure

As required by the amended Waste Framework Directive (EU) 2018/851 Article 9 SCIP (Substances of Concern In articles as such or in complex objects (Products)) Database and REACH (Registration, Evaluation, Authorization and Restriction of Chemicals (EC) 1907/2006) Article 33, all products placed in EU markets containing Substances of Very High Concern (SVHC) in the concentration greater than 0.1% weight by weight (w/w) are required to have SCIP Notification on the ECHA submission portal.

The SCIP database complements the existing communication and notification obligations for Candidate List substances in articles under REACH.

Based on the current version of the candidate list substances, SRAM products contain the following SVHCs above the disclosure threshold through the SCIP submission on ECHA SCIP Database (refer to Appendix below).
